

THE SECRETARY OF TRANSPORTATION  
WASHINGTON, D.C. 20590

September 16, 1970

Honorable Richard Helms  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Helms: *Deck:*

As requested in your letter of July 21, 1970, we herein approve for use by the Central Intelligence Agency an additional three acres, more or less, of our land at the Fairbank Highway Research Station, McLean, Virginia. The use permit for these three acres is granted under the same conditions set forth in our use permit of February 9, 1965, referred to as "Parcel A (Revised)."

Very soon we will send your Real Estate and Construction Division an updated permit and plat showing metes and bounds of the entire parking area. In the meantime, however, you may proceed with your plans to develop the motor pool area in accordance with the drawing enclosed with your letter.

Sincerely,

A large, stylized handwritten signature, appearing to be 'John', is written below the word 'Sincerely,'.
